# PRODUCT IMPROVEMENT NOTICE

---

---

Effective Serial Number: All Units

Ride: 20-FOOT FANTASY CARROUSEL

Subject: Preventive Maintenance

The maintenance schedule for the 20-FOOT FANTASY CARROUSEL is based on monthly intervals. Performing the same service every month will help ensure proper maintenance of every component.

To aid in keeping track of scheduled maintenance, a decal has been developed. Space is provided on the decal for the actual dates when maintenance is performed, which can be recorded with a grease pencil or ballpoint pen.

The preventive maintenance decal is available for 90 days from the date of this bulletin at no charge to owners of these rides. We recommend the decal be applied to the door of the main electrical control box. Order part number 409-564-001.

In addition to the decal, a new publication, CARROUSEL MAINTENANCE TIPS is now available. This booklet is an overview of common maintenance procedures for 20-Foot Fantasy Carousel and is intended to supplement the information in the service manual.

CARROUSEL MAINTENANCE TIPS is also available for 90 days from the date of this bulletin at no charge to owners of these rides. Order part number 24364100.
