SERVICE BULLETIN

Ride Manufacturer: CHANCE RIDES MANUFACTURING, INC.

Affected Production Dates: All

Ride Name: SLING SHOT

Affected Serial Nos.: All Units

Model No.: 417

Abstract of Issue:

Revised Operating Software

Reason For Release:

The operating software which controls and monitors the function of various components of the SLING SHOT amusement ride has been revised. Additions and enhancements have been made to a number of diagnostic and monitoring functions. These changes further ensure the proper operation of the ride.

Action to be Taken:

Owner/operators of the above noted SLING SHOT amusement rides are required to have the new software installed within 90 days of the release date on this service bulletin.

The installation must be performed by a CHANCE factory representative. Contact the CHANCE Customer Service Department to make arrangements to have this update performed within the timeframe specified.

The installation of the new software can be verified by a certification decal applied to the inside of the main electrical cabinet door.

All work must be performed by qualified personnel, capable of understanding the function of the parts and their proper installation. Use only those components authorized, specified or provided by Chance Rides Manufacturing, Inc. All applicable OSHA safety standards and safe industry practices must be observed.

Observe all safety information contained in the manufacturer's manuals. Make available this bulletin and all related technical information to personnel using the equipment.

Chance Rides Manufacturing, Inc. issues notifications for the benefit of owners of amusement rides manufactured by Chance Rides Manufacturing, Inc. As a service to the industry, and in the interest of employee and public safety, Chance Rides Manufacturing, Inc. also issues notifications for the benefit of owners of amusement ride equipment for which the manufacturer no longer exists, such as the Allan Herschell Company, Chance Manufacturing Co., Inc., Chance Rides, Inc., etc. In doing so, Chance Rides Manufacturing, Inc. does not assume liability for losses associated with amusement ride equipment built by manufacturers other than Chance Rides Manufacturing, Inc.
